

FS 16 6000 AL (104 600)

Air-termination rod, diameter 16 mm, cut to length on site.

| Type                                          | FS 16 6000 AL |
|-----------------------------------------------|---------------|
| Part No.                                      | 104 600       |
| Total length (l1)                             | 6000 mm       |
| Material                                      | AlMgSi        |
| Diameter Ø                                    | 16 mm         |
| Standard                                      | EN 62561-2    |
| Weight                                        | 2,8 kg/pc(s)  |
| Customs tariff number (Comb. Nomenclature EU) | 76052100      |
| GTIN                                          | 4013364076556 |
| PU                                            | 1 pc(s)       |

We reserve the right to introduce changes in performance, configuration and technology, dimensions, weights and materials in the course of technical progress. The figures are shown without obligation.

Special lengths of all air-termination rods / self-supporting air-termination rods are available upon request.
