

Technical drawing of a shaft assembly. The main view shows a shaft with a pulley at one end. Dimensions include a total length of 11, a pulley diameter of $\varnothing 23$, a pulley width of 21, a pulley bore diameter of $\varnothing 25$, a pulley hub diameter of $\varnothing 3$, and a shaft diameter of $\varnothing 20/23$. A cross-section view shows the shaft with a $\varnothing 23$ hole and a $\varnothing 10$ hole.

We reserve the right to introduce changes in performance, configuration and technology, dimensions, weights and materials in the course of technical progress. The figures are shown without obligation.
