

AF 10 V4A 1500 (860 115)

Made of corrosion-resistant stainless steel (V4A), for connecting down conductors to the earth-termination system.

| Type                                          | AF 10 V4A 1500  |
|-----------------------------------------------|-----------------|
| Part No.                                      | 860 115         |
| Material                                      | StSt (V4A)      |
| Material No.                                  | 1.4571 / 1.4404 |
| ASTM / AISI:                                  | 316Ti / 316L    |
| Length (l1)                                   | 1500 mm         |
| Dimensions                                    | Ø10 mm          |
| Cross-section                                 | 78 mm²          |
| Standard                                      | EN 62561-2      |
| Weight                                        | 930 g           |
| Customs tariff number (Comb. Nomenclature EU) | 72222031        |
| GTIN                                          | 4013364101104   |
| PU                                            | 5 pc(s)         |

We reserve the right to introduce changes in performance, configuration and technology, dimensions, weights and materials in the course of technical progress. The figures are shown without obligation.
